wherever you are now.*

*It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is*

*Stripping Asjiah I*

*Stripping Asjiah is an urban classic! From the first page you are thrown into the lives of two siblings who are struggling to make their way out of the streets and away from a family who treats them like shit. I felt like Asjiah was my little sister, like Angel was my brother and I was going through all of these things with them.*
