Best Hybrid/EV Buying Guide - Consumer Reports

This is probably the rarest, commonest car you'll ever see. It's a Subaru FF-1, sometimes called the Star in the U.S. Subaru sold thousands of them in the early 1970s, as part of its expansion into the market. But this little coupe has been saved. Its story is the genesis of Subaru as we know it.

Subaru Research Site- specs, prices, options, 2019, 2018 ...

I am leaning towards a subaru Forester, used, in my price range the mileage will be high - over 100,000 -145,000. My previous experience with subaru is expensive repairs - head gaskets, water pumps, wheel bearing, axles, all seem to go over/around 100,000. I have found some with the mechanical issues mentioned that have been repaired, or addressed before issues occur. I can't decide if this ...
