Tortoises as Pets: Care & Information | PetSmart

If your tortoise is too big to move in and out of your house, you will have to make your outdoor enclosure winter-proof. Check out this fantastic example and guide. An adult sulcata needs a large area to graze and wander. You'll want to make sure you have a fenced-in area.

Sulcata Tortoise Pet Owners Guide. the Captive Care of ...

Keep your tortoise's habitat toasty and damp, like the warm countries these pets come from. The amount of heat and humidity in the habitat will depend on their breed: Russian Tortoises do best in slightly warmer, drier environments with about 50% humidity; while Greek Tortoises like it slightly cooler and wetter, with up to 80% humidity.
