Suminagashi (Paper Marbling) - Japanese Culture Center ...

Suminagashi Japanese Maple is a dense deciduous tree with a more or less rounded form. Its relatively fine texture sets it apart from other landscape plants with less refined foliage. This is a relatively low maintenance tree, and should only be pruned in summer after the leaves have fully developed, as it may 'bleed' sap if pruned in late winter or early spring.

The art of suminagashi or Japanese paper marbling | The ...

Suminagashi means “spilled ink” in Japanese and it differs from Turkish marbling in three distinct ways. Firstly, Suminagashi is done on water rather than a thickened liquid. Secondly, the inks traditionally used in Suminagashi are calligraphy inks made from pine soot, while the Ebru technique allows a range of materials such as gouache, water color and acrylics.
