Explanation: Here, the author is drawing a conclusion based on what she has found to be true in Morrison's text. This connection fits into the "Because x, then y" model. Because friendship is required of the girls as they grow,...

Summary - Boston University

Conclusion—Application of Harry Potter Harry quickly learns at Hogwarts that good is something that can be actualized. But before he learns to do good, he learns that good has the potential to produce great things. However, more important than the lesson that good produces great things, is the lesson that greatness is not always good.
