I've recently bought a 2005 Suzuki GS500f for my first bike. It's time for me to do the first tune up, but i don't want to bring it in because i want to get to know my bike and save money by not going to mechanics. My problem is I can't find a factory manual for the 2005 model. The Clymer manual is 1989-2002.
