Star Wars: The Old Republic

The game guide Star Wars: The Old Republic contains everything that concerns all the eight classes from the very beginning till leaving the starting planet. There are four starting planets, each for two classes. That is why the guide is divided into four large parts. Before each part there is the "Hints" chapter. It is common to all four parts.

STAR WARS: The Old Republic - The Ultimate Guide of Guides ...

Hello everyone! I have compiled as many guides as I could find about the game in to one ultimate resource list. I've endeavored to find guides that are up to date or as close as I could find for 2019. If you would like to add your own favorite guides to this list, please post them on this thread!
