Instructions for Searching Photographers ' Names ...
New Orleans photographers quickly adapted to the lucrative business of taking photographs of military soldiers. This antrotype taken by Washburn & Co. of New Orleans captured an example of a unique social status in antebellum New Orleans. These Confederate soldiers are half brothers, the one on the right a mulatto.

British Artists - ArtCyclopedia
The participation of African-American women in photography began to receive widespread acknowledgment in the mid-20th century and with growing recognition came a shift in focus on social, economic, and political conditions. Some of the most prominent female African-American photographers include Carrie Mae Weems, Lorna Simpson, and Coreen Simpson.
