Daoism - Cabrillo College

Taoism, along with Buddhism and Confucianism, became one of the three great religions of China. With the end of the Ch'ing Dynasty in 1911, state support for Taoism ended. Much of the Taoist heritage was destroyed during the next period of warlordism. After the Communist victory in 1949, religious freedom was severely restricted.

Taoism Ppt User Guide

Tao is both the ultimate source and principle of order in the universe. Tao has two components, yin and yang. Taoism regards moral values as relative and avoids absolute moral judgments. Taoism literature says nothing about the afterlife and depicts death as one of nature's transformations from one state to another.
