Siege of Masada - Wikipedia

Langston Hughes was a central figure in the Harlem Renaissance, the flowering of black intellectual, literary, and artistic life that took place in the 1920s in a number of American cities, particularly Harlem. A major poet, Hughes also wrote novels, short stories, essays, and plays. He sought to honestly portray the joys and hardships of working-class black lives, avoiding both sentimental ...

History. Learn more about the subject of history, which is broadly defined as the study of past events. Due to the broad nature of the concept, most historians narrow their scope by focusing on a particular time period, a particular country or region, a particular person, group, or individual person, a particular theme, or any combination of those categories.

by George H. Morrison. Our Lord, especially as the days advanced, frequently spoke about His joy, and the notable thing is that when He spoke so none of His disciples was surprised. Nobody ever asked Him what He meant. They did not look at each other in perplexity. To them it seemed entirely natural that the Master should make reference to His ...
