New Elementary School English Curriculum for 2020 Rolling ...

The key teaching skill is focusing the learners on the task, rather than the text as a whole. One way I've found of doing this is really spending time on the task before reading, and then giving the learners a strict time limit when they read. Here are some other things I do as a teacher to teach, not test:

ESL Kids—Teaching English to Children - Owlcation

Over 10 percent of students in the United States—more than 4.8 million kids—are English language learners (ELLs), and the number is on the rise. Though these students do not learn differently than their native-English-speaking peers, they do have particular educational needs. To learn about these needs—and best practices for addressing them—I interviewed a range of educators and ...
