How to teach ... phonics | Teacher Network | The Guardian

Phonics lessons were seen as rote, old-fashioned, and kind of conservative. The essential idea in whole language was that children construct their own knowledge and meaning from experience. Teaching them phonics wasn't necessary because learning to read was a natural process that would occur if they were

immersed in a print-rich environment.

Kids struggle to read when schools leave phonics out

A new study reveals there is little or no evidence that phonics – the dissecting of words into smaller sounds or letters – is the most effective method for teaching reading. The study ...
