The best classrooms for young language learners are different because of what the students and teacher do, not just how the space is decorated. In an effective classroom for young learners, you'll see a lot of movement, hear a lot of repetition and see lessons that look a lot like play. Kids are moving, engaging their senses and perhaps making more mistakes than their adult counterparts would.

Young learners learn effectively when
language is presented in chunks, so this
approach is common in course materials.
To 'know' a word involves the following
facets of a word: 1) Its cognate or
semantic referent, i.e. its meaning. 2) The
letters that make up the word, i.e. spelling
