Help needed with resetting HP1920 48G (JG927A) Hello - We have an HP 1920 48G that we forgot the password to, so we need to clear the password or do a factory reset as a next best option. Does anyone know how to do either of these on this switch?

Factory Reset Polycom Phone
The best way to do a hard reset is to remove the battery and reinsert it, if possible. Some devices that do not have access to the battery may have a way to simulate a battery pull in order to perform the hard reset. If the device does not have a method to do a hard reset, perform a soft reset instead (simply turn it off and back on again).
