truck manual .

Telsta Bucket Truck Wiring Diagram

Hello, the manual i have is in book form and is for an a28c (has similar wiring schematic as a28d). I can scan a section if that helps but the whole book would be very time consuming. Although 70.00 seems expensive for a service manual, i have bought them for other pieces of equipment in the 300.00 to 400.00 dollar range.
