Terror in the Mind of God, Fourth Edition, The Global Rise ...

Tass Saada's book, *The Mind of Terror*, is the first book I've read in a very long time that has re-shaped my thinking on any topic at a fundamental level. Though I still believe (and Saada confirms) that the teachings of Islam are, at their core, incompatible with peace, I now understand why military action - although necessary from time to time - will never have the effect needed to bring ...

The Mind of Terror: A Former Muslim Sniper Explores What ...

That in mind, this book has its flaws and misses some things, but I think it is a valuable part of the literature on terrorism. This shouldn't be the only book on terrorism you read, but it should be one of them.

What motivates Islamic terrorists? What is in the mind of terror? Our news reports from the Middle East cover events—bombings, massacres, and suicide attacks. Our newscasters take time to explain who the players are—from Hezbollah to the Iranian Quds, from ISIS to the Palestinian National Authority. But there is something underneath these events and players that fuels atrocity after ...

Sniper ...

"An unsettling book but also a courageous one. No one who truly cares about matters of faith can afford to ignore the dangers that lurk within religious extremism, and Juergensmeyer ultimately serves the highest aspirations of organized religion when he insists on shedding light on the darker corners of human belief and human conduct."-- "Los Angeles Times"

Terror in the mind of God : the global rise of religious ...

Since September 11, 2001, we all need tools to help us understand what motivates religious terrorism. In this wide-ranging and erudite book, Mark Juergensmeyer asks one of the most important and perplexing questions of our age: Why do religious people commit violent acts in the name of their god, taking the lives of innocent victims and terrorizing entire populations?
