Basic Standards for Residency Training in Diagnostic Radiology
radiology residency. Having recently graduated from medical school and intern year you have likely garnered an armamentarium of clinical skills and knowledge; however, your training has not prepared you for the specific challenges of becoming a radiologist. From your first day of radiology residency you will be asked to adopt several

UTMB Department of Radiology - Residency Program
I'm doing my residency in radiology for almost 2 years (it's a 5 year residency in my country). When choosing a specialty I had two real choices - radiology and pathology. Ended up choosing radiology. The competition in radiology was insane, I worked really hard to earn a spot in the program.
