Book Summary - SlideShare**
feedback is the way it's given.
In Thanks for the Feedback,
you argue that the way one
receives feedback is just as
important. We think that how
we receive feedback is
actually more important than
how feedback is given. If your
goal is to empty the sink by
sending the water down the
drain, which is more
important: How you run the
faucet?

Thanks for the Feedback Which is why saying - and meaning - Thanks for the feedback is such a crucial skill and courtesy. You want the giver to know you have heard and value their feedback. Not only to show appreciation (feedback often takes lots of courage to give), but also to encourage the person to keep on giving your feedback.

Thanks for the Feedback
But, regardless of what it is, you can respond to feedback in three easy steps. Step 1: Appreciate. First and foremost, appreciate it. Appreciate that they are offering their thoughts and that they took the time to do so. Express this clearly and in the simplest of terms. “Thank you for writing. I appreciate your feedback and your perspective.”
