The ADHD Workbook for Kids: Helping Children Gain Self ...

The Children's ADHD Skill Packet was created to accompany The Kangaroo Who Couldn't Sit Still. After reading the story, use this packet to teach children and their caregivers how to practice the same skills used by Kangaroo. The information in the Children's ADHD Skill Packet will largely be implemented by parents and caregivers, but the packet is written at a level appropriate for children, allowing them to follow along.

Managing ADHD (Worksheet) | Therapist Aid

Eric's thoughts on homework: Homework between therapy sessions is like the peanut butter and jelly between the two slices of bread. If you're really hungry, the two slices of bread will do, but it's going to be a whole lot more satisfying if you have something to put between those two slices of bread.

PARENT - Combined ADHD and DBD Workbook

The Managing ADHD worksheet describes five key skills that can often help those with ADHD. The skills include: creating structure, setting aside time for relationships, staying organized, creating the right environment, and living a healthy lifestyle. Each section describes the importance of the skill, and tips to implement it successfully.
