Amazon.com: The Advantage: Why Organizational Health ...

Today, the vast majority of organizations have more than enough intelligence, experience, and knowledge to be successful. Organizational health is neither sexy nor quantifiable, which is why more people don't take advantage. However, improved health will not only create a competitive advantage and better bottom line, it will boost morale.

Organizational Health Products | The Table Group

Keller & Price define organizational health as "the ability of an organization to align, execute, and renew itself faster than the competition to sustain exceptional performance over time". These are not hippy new-age management philosophies. Their research shows that half of a company's long-term financial success is driven by its health.
