The Age of Imperialism

The Age of Imperialism did not really get underway until the 1870s. European countries became less eager to look at expansion on the continent because the balance of power system had made aggrandizement an expensive proposition. Thus, powers began to look overseas. Even so, most earlier expansionist efforts had petered out.

The Age of Imperialism - InDepthInfo

The age of imperialism. Developments in the 19th century were fateful for Yemen. The determination of various European powers to establish a presence in the Middle East elicited an equally firm determination in other powers to thwart such efforts. For Yemen, the most important participants in the drama were the British, who took over Aden in 1839, and the Ottoman Empire, which at mid-century ...
