Romero and De Prado explain the typical plans and tactics using illustrative games with clear verbal explanations, and provide lots of tactical and strategic exercises.

The London System – an opening for you? | ChessBase

The London System is a great chess opening for beginning chess players. It quickly develops the dark square bishop which is a very underutilized minor piece for white. The opening doesn't start out aggressive, and many times ends in a closed game, but it gives white a lot of options and is very useful in stopping black from any counterattack.
