American literature - Wikipedia

By the first decades of the 19th century, a truly American literature began to emerge. Though still derived from British literary tradition, the short stories and novels published from 1800 through the 1820s began to depict American society and explore the American landscape in an unprecedented manner.

Teaching the American Literary Tradition | Humanities Texas

American literature is literature predominantly written or produced in English in the United States of America and its preceding colonies. Before the founding of the United States, the British colonies on the eastern coast of the present-day United States were heavily influenced by English literature. The American literary tradition thus began as part of the broader tradition of English literature.
