The American Way of Death was her most influential book. Published in 1963 and in a revised edition in 1998, it is mainly an exposé of the funeral industries, especially undertakers and cemeteries, written with conviction and humor.

The American Way of Death - Wikipedia

Those in the animal kingdom who feast on death are called scavengers and the word 'noble' is not one associated with them. So it is with funeral directors, a bunch of ignoble turkey-necked vultures seeking to clean the bones of a lifetime of hard work and savings in one fell swoop. The American
