The American Way of Poverty: How the Other Half Still ...
The American Way of Poverty is likely to cause fear--almost no one is exempt from unplanned disasters--but it is also likely to motivate: there are answers; this country can and should improve. Well researched and documented, Abramsky's eye-opening book should be required reading for all U.S. citizens."

The American Way Of Poverty
It is made up of both the long-term chronically poor and new working poor--the tens of millions of victims of a broken economy and an ever more dysfunctional political system. In many ways, for the majority of Americans, financial insecurity has become the new norm. The American Way of Poverty shines a light on this travesty. Sasha Abramsky brings the effects of economic inequality out of the shadows and, ultimately, suggests ways for moving toward a fairer and more equitable social contract.

The American Way of Poverty Quotes Showing 1-3 of 3 "As long as people think poverty is the problem," Ganz explained, "they're missing the whole point. Poverty is evidence of a problem; it's not the source of the problem. They're all based on the weakening of collective institutions--the decline of labor, of common interests.
