The Anatomy of Disgust: Amazon.es: Miller, William Ian ...

Review: . The title of William Ian Miller's book is a play on Robert Burton's 17th-century classic *The Anatomy of Melancholy*, an examination of human emotion. In his modern *Anatomy*, Miller narrows the focus to the function of disgust in human life. Disgust, Miller posits, is a kind of protection; just as fear causes us to flee danger or loyalty prompts us to support one another, disgust draws ...

The anatomy of disgust : Miller, William Ian, 1946- : Free ...

William Miller embarks on an alluring journey into the world of disgust, showing how it brings order and meaning to our lives even as it horrifies and revolts us. Our notion of the self, intimately dependent as it is on our response to the excretions and secretions of our bodies, depends on it. Cultural identities have frequent recourse to its boundary-policing powers.

The Anatomy of Disgust: Amazon.de: William Ian Miller ...

The anatomy of disgust by William Ian Miller, 1997, Harvard University Press edition, in English

The Anatomy of Disgust : William Ian Miller : 9780674031548

Having ably dissected humiliation in his 1993 book of that title, Miller now sets his keen insights on something even more fundamental to the human condition: disgust. It is easy to dismiss disgust as a mere gut-level twinge; after all, the word (and thus, to some extent, the concept) did not even enter the English language until the 17th century.

The Anatomy Of Disgust William

William Miller details our anxious relation to basic life processes; eating, excreting, fornicating, decaying, and dying. But disgust pushes beyond the flesh to vivify the larger social order with the idiom it commandeers from the sights, smells, tastes, feels, and sounds of fleshly physicality.
