Read Online The Andromeda Strain

Michael Crichton, is a techno-thriller novel documenting the efforts of a team of scientists investigating a deadly extraterrestrial microorganism which rapidly and fatally clots human blood, while inducing insanity in some people.

The Andromeda Strain

Robert Wise's "The Andromeda Strain" works reasonably well as science fiction, but I don't want to approach it in a fiction mood today. The most interesting thing about the movie, I think, is its production design, which seems to have begun where the interiors of the space station in "2001: A Space ...

The Andromeda Strain (film) - Wikipedia

I thought The Andromeda Strain was a great title, but for many years I had no book to go with it. I worked on draft after draft, never completing one, obsessing about the project. And all because I was so fond of the title I couldn't abandon it.

The Andromeda Strain by Michael Crichton, Paperback ...

The Andromeda Strain is both interesting and boring. It is interesting for lovers of scifi and technology to not only see how the organism is dealt with in the story, but also to see, outside of ...
