No English translation exists of *The Buried Pearl* , although it is a rather strange fact that in 1901, the French archaeological mission in Cairo made a regular French edition. Strange, because its introduction explains that it was published in order to discourage tomb robbery, a widespread problem in Egypt, as indeed it still is! Neither was this a new problem; ancient Egyptian papyri survive ...

Introduction. The vast expanse of the Sahara, the world's largest desert, has been likened to an ocean. Arab travelers crossing this immense body of sand thought of the lands on the Sahara's southern rim as a distant shore, or sahel. That landscape, which extends more than nine hundred miles from the Atlantic coast to the Niger River bend, is a region of ecological transition from desert to ...
