Rend Collective - YouTube

The opener is the simplest, yet most stress-inducing part of a cold-approach. It 's very simple: you are looking for a pretext to start a conversation. That 's it. And yet this is the part that trips up people the most. Guys spend more time freaking out about what to say to women than almost any other aspect of the approach.

"The Approach" is one of the most popular subjects discussed in the online seduction scene. It's no wonder- How well you approach a girl, especially one you really like, will make or break the rest of the relationship. In fact, a relationship doesn't exist if you don't know how to talk to a girl from the very beginning. You can be the best guy in the world, a guy girls can only dream of-but if ...
