Interaction Design - ArtCenter College of Design

interactive and simply discuss the degree of interactivity subjectively. This, in turn, gives us a happier solution to the refrigerator challenge: The refrigerator does indeed interact with the user, but it does so at a low level. ... The-Art-of-Interactive-Design-extract Author: Rodolfo Cossovich

The Art Of Interactive Design

The Art of Interactive Design was the sleeper of the year for me. I'm surprised it hasn't created more of a splash. Perhaps it's because it's published by a lesser known publisher and it doesn't fit the standard format of most usability or GUI books. It doesn't, for instance, include any code examples. It's purely about concepts and approaches.

BA (Hons) Interaction Design Arts | UAL

Interaction Design is the portion of UX that deals with tailoring a experience to meet a specific set of objectives. It involves five elements: words - visuals, objects and space, time and ...

The Art Of Interactive Design A Euphonious And ...

Interactive art is a genre of art in which the viewers participate in some way by providing an input in order to determine the outcome. Unlike traditional art forms wherein the interaction of the spectator is merely a mental event, interactivity allows for various types of navigation, assembly, and/or contribution to an artwork, which goes far beyond purely psychological activity.
