Parody Art | Fine Art America

(Peter Lang Publishing) In this book, Chambers explores the world of parody. He looks at variations within parodies and how they are used to create new artistic configurations and conventions. While examining this literary technique, he ultimately denies that it is simply a copycat device, but is, instead, a principal source of innovation and invention in the arts.

The art of the parody – Getting one over | Books & arts ...

Parody: The Art That Plays with Art explodes the near-universal belief that parody is a copycat genre or that it consists of a collection of trivial and derivative forms. Parody is revealed as an uber-technique, a principal source of innovation and invention in the arts. The technique is defined in terms of three major variations that bang, bind, and blend artistic conventions into contrasting ...

The smARTteacher Resource: Art Parody

It's those jokers mischievously swiping the work from its art context and putting it in another one to say something new. Of course, what exactly it is that's being said shifts with each new parody – and what elusive qualities make a work capable of that transcendent, superstar status in the first place?

Parody | Definition of Parody at Dictionary.com

Parody, by contrast, is more concerned with the imitation of style and form, so it can be finely crafted and highly intellectual, and can provide more neutral commentary on the work being parodied. Parody and Pastiche Pastiche is also often used as a synonym for parody. And like parody, pastiche is a type of art based on imitation.

The Art of Parody: Imitation With a Twist | The Artifice

The art of parody was encouraged in the 20th century by such periodicals as Punch and The New Yorker. One of the most successful examples of parody in prose from the early 20th century is Sir Max Beerbohm's Christmas Garland (1912), a series of Christmas stories in the style and spirit of various contemporary writers, most notably Henry James. Sir John Squire has been credited with creating ...
