The Art of Product Management - static1.1.sqspcdn.com

Building conviction: the art of product management. TL;DR. Data rarely gives you an insight in visceral customer reactions; and hence is a poor tool to figure out where to spend your time what to prioritise. Developing softer qualitative insight can build intuition, empathy and eventually conviction.

Cartoon: the Art of Product Management - SpecTechUlar

Many start up Product Managers are lone wolf types. They work alone, part of a team, but the only one in that team doing what they do. Shuttling between engineering, design, sales, marketing management and other constituents, they are the glue that ties the team together, the universal joint making sure all the momentum in one group transmits cleanly to the next so all the pieces move in ...
