7 Powerful Lessons Sun Tzu can teach you about Strategy ...

Strategy (from Greek ?????????? stratēgia, "art of troop leader; office of general, command, generalship") is a high level plan to achieve one or more goals under conditions of uncertainty. In the sense of the "art of the general", which included several subsets of skills including tactics, siegecraft, logistics etc., the term came into use in the 6th century C.E. in East Roman terminology and was translated into Western vernacular languages only in the 18th century.
