Art Woodwork is deeply rooted in the rich European tradition of wood crafting and has evolved into one of the most prominent architectural woodworking establishments in the New York metropolitan area. We produce and install woodworking interiors and furniture built in a variety of materials.

The Art of Woodworking | Series | LibraryThing

While I think woodworking itself can be both an art and a craft, at this point in my woodworking career, it's definitely a craft. I hope one day to reach a point where I consider myself capable of creating something out of wood that could be considered art. But for now, I am no artist, merely a craftsman.
