Description. Written by the best-selling co-author of Auditing, 7/E (PH 1997), this unique book reaches beyond the abstract theory presented in most standard textbooks to portray the principles and practices of Auditing as they are actually applied in the workplace. The novella—which forms a single, on-going, fictional case study meant to supplement a ...

This is a nice resource for audit students or new auditors. I doubt it would be entertaining for most others. The book was written as an "instructional novella" for students and it offers some good information on public accounting audit careers. The story follows the career of a fictional auditor in a large, fictional firm in Oakland, California.

The Auditor An Instructional Novella
The Auditor is an instructional story that focuses on the professional life story of Jack Butler as he progresses through. Although I wasn't quite able to understand the reasoning for requiring such a reading during the outset of the course, it became quite clear after the first few class discussions that auditor judgment, professional skepticism, and ethics play a significant role within the ...
