William Godwin (1756–1836) was the founder of philosophical anarchism. In his *An Enquiry Concerning Political Justice* (1793) he argued that government is a corrupting force in society, perpetuating dependence and ignorance, but that it will be rendered increasingly unnecessary and powerless by the gradual spread of knowledge and the expansion of the human understanding.

Homeschooling or home schooling, also known as home education or elective home education (EHE), is the education of school-aged children at home or a variety of places other than school. Usually conducted by a parent, tutor, or an online teacher, many homeschool families use less formal, more personalized methods of learning that are not always found in schools.

It's no biggie. Lucretia Schanfarber just simply plans to save the planet by gabbing about gardening. The writer and organic green thumb – who lives on the remote edges of a tiny B.C. island plagued with shaky internet service – has launched free, weekly Zoom gatherings to inform, inspire and connect gardeners worldwide. And it's going gangbusters. The Zoom forums started up nine weeks ...

Candide is the story of a gentle man who, though pummeled and slapped in every direction by fate, clings desperately to the belief that he lives in "the best of all possible worlds." On the surface a witty, bantering tale, this eighteenth-century classic is actually a savage, satiric thrust at the philosophical optimism that proclaims that all disaster and human suffering
