Explaining Barter System 1

1. What is a barter system? A barter system is a method of exchange that traces back in history. This method of bartering was used before the invention of money; goods and services were traded for other goods and services. However, bartering is not just a concept of the past. Trading items are common in the modern world in forms such as online auctions, as well as simple negotiations.

4 stars for this helluva read!Wow! I am so glad I don't need specs for reading. They would have steamed up constantly!And the fact that Shayne McClendon wrote this, is the only reason that is keeping me from subtracting some stars and a half.Oh boy, was this cheesy! Hero and heroine ooh-ing and ...

On an odd note, even though The Barter System remains my favorite of Shayne McClendon's works, I will say that Hudson is the one that I recommend the most. I feel that it's more universal in some ways and I simply believe it's a book everyone should have a chance to read when they're looking for contemporary with a little more bang for the buck.
