Success News & Topics - Entrepreneur

The best way to measure success is to define what it means and looks like to you, and then assess your progress against these goals. For instance, success for someone may be to publish their first book. Once you have this aspiration, break it down in smaller bite-size tasks—say, you commit to write 500 words every day.

6 Stories of Super Successes Who Overcame Failure

Success never resides in the world of weak wishes, but in the palace of purposeful plans and prayerful persistence. Pessimism achieves no success over persistence. Temporary defeat never spells total failure; one victory never assures permanent success. A real success is one who makes his mark in life without smearing others.
