**The Bible: Amazon.es: Karen Armstrong: Libros en idiomas ...**

The full title is The Bible: The Biography, which at least clears up any possible implication that Karen Armstrong might be claiming authorship for the actual Bible.. I finished this last week sometime, but I've been putting off writing about it, mainly because reading a book by someone who knows vastly more about the subject than I do and then arguing with it seems like bad intellectual karma.

### The Bible Karen Armstrong

Karen Armstrong is a great purveyor/interpreter/teacher of religious history and this book (an awe-inspiring task, to write a "biography" of the Bible in a couple hundred pages) is no exception. She concentrates on the liberality in methods of interpretation that were encouraged throughout history and (some might say) over-emphasizes that in an attempt to counter fundamentalist notions as the ...
