The Bible Story Handbook. Commenting on 150 stories, the Waltons examine seven elements in each text---focus, theme, application, place in the Bible, interpretational issues, historical and cultural background, and age-group appropriateness---to help create accurate, understandable God-centered lessons. Includes 2-year teaching plan. 352 pages, softcover from Crossway.

by Stephen N. Haskell - centrowhite

The handbook contains all the material essential to presenting meaningful lessons that are vital to Christian young people. With the Bible as a textbook, this handbook, through the teacher, will direct students in a study of great importance in leading one to Christ or giving a .better understanding of how a Christian should live.
