'The Bitter Twins' is book two in 'The Wincrowing Flame Trilogy' by Jen Williams. This is her second trilogy of fantastic fantasy novels. Jen Williams is one of my very few auto-buy authors and, anything she writes, I will buy. So apologies if this is just a gush review about how much I love Jen Williams' books, you have now been warned!*

*The Bitter Twins | Author, editor, caffeine-addict ...  
Where The Copper Cat took aim at traditional mercenary and adventure fantasy, The Wincrowing Flame offers up a female Indiana Jones in a world populated by witches and vampires. The Bitter Twins, unfortunately, suffers from a bad case of middle book syndrome. There's little of a defining narrative to this single novel and the ending is more of a brief pause in the action before the final instalment.*
