Plot. The book features two dominant storylines. The first is an examination of how offensive football strategy has evolved over the past three decades in large part due to linebacker Lawrence Taylor's arrival in the 1980s and how this evolution has placed an increased importance on the role of the offensive left tackle. Most quarterbacks are right-handed and in order to throw, they stand with ...

First off, I loved the premise. 10 blind dates picked by family members is a hilarious idea. The execution was great as well. There were some cute dates and

some OMG dates (like the one that her twin cousins set up). I also loved the emphasis on family, both with her immediate and extended family.

So far, my blind dates have been easygoing, but maybe too much. I haven't gone on too many blind dates in the first place, so I'm starting to get nervous. I thought that I could relax more with Arioka-senpai around, but he's wearing a suit, and is making formal business greetings with other people.
