Mary H. Manhein, also known as "The Bone Lady," is an internationally acclaimed forensic anthropologist who, for more than 30 years, has helped law enforcement solve their toughest cases. An advocate for victims, Manhein has always worked to tell the stories of who they are and what happened to them, and to bring about justice.

BAD TO THE BONE

Here are Civil War skeletons, cases of alleged voodoo and witchcraft, crimes of political intrigue, and the before-and-after facial reconstruction. Written with the compassion and humor of a born storyteller, The Bone Lady is an unforgettable glimpse into the lab where one scientist works to reveal the human stories behind the remains.

Bone broth has a rich history of being used in traditional Chinese culture, for its many benefits: to support digestion through collagen, minerals, amino acids, and compounds found in bones and connective tissue.. Even our hunter-gatherer ancestors realized that drinking bone broth was highly valuable, as its earliest version dates back over 2,500 years.

Directed by Phyllida Lloyd. With Meryl Streep, Jim Broadbent,
Richard E. Grant, Susan Brown. An elderly Margaret Thatcher
talks to the imagined presence of her recently deceased husband
she struggles to come to terms with his death while scenes from
past life, from girlhood to British prime minister, intervene.

Maren Morris - The Bones (Official Video)
In The Bone Lady, Manhein artfully shares such secrets in a series
of brief sketches. At her best, she recalls the engrossing details of
a specific case, explains how its riddles were (or could not be)
answered, and concludes with the human reverberations: a mother
comforted by closure in a runaway daughter's death, a vicious
murderer brought to justice days before he can kill a witness.
