The Bren gun is a British light machine gun that was made in the 1930s. It appeared in *Madness Combat 6.5*, in which Sanford obtained one at an armory and used it throughout the episode, utilizing the bipod several times. At the end of the episode, Sanford dropped it out of a helicopter during an escape after the ammunition was depleted..

Thomas B. Dugelby's celebrated The Bren Gun Saga originally appeared as a Collector Grade title in 1986. For its time, it contained the most information about the Bren LMG ever to appear under one cover. This First Edition is now long out of print and original copies, when they can be found, command many times their original list price.
