Given the scope of Atlantic history it has tended to downplay the singular influence of the voyages of Columbus and to focus more on growing interactions among African and European polities (ca 1450-1500), including contact and conflict in the Mediterranean and Atlantic islands, as critical to the emergence of the Atlantic World.

The British Atlantic World, 1500-1800 | David Armitage
The Atlantic world was defined by states but colonized by empires. The British, no less than the Spanish, Portuguese, French, and Dutch, negotiated their claims beyond Europe through institutions within Europe. However, as latecomers to the race for Atlantic empire, the British had to operate on terms set by their predecessors and competitors.
