The burden of history. The manipulation of history is the continuation of politics by other means, to coin a phrase. And this week we have been served a double dose of it by the Russians and the Poles as their leaders sought to assert their own versions of the past in the run-up to the ceremonies remembering the beginning of the second world war.

We have to accept the burden of history. We owe this to the victims, whose sufferings and death may not be forgotten. We owe this to the survivors and relatives because, otherwise, every dialogue with them and each new "being-with-one-another" would be impossible. But we also owe this to the Church and to ves ourselves.

The Burden of Southern History. In it Woodward brilliantly addresses the interrelated themes of southern identity, southern distinctiveness, and the strains of irony that characterize much of the South's historical experience. First published in 1960, the book quickly became a touchstone for generations of students.
