In short, this is the story of a world of riches almost beyond mortal imagination, and in his own words, Roberto Escobar tells all: building a magnificent zoo at Pablo's opulent home, the brothers' many escapes into the jungles of Colombia, devising ingenious methods to smuggle tons of cocaine into the United States, bribing officials with literally millions of dollars-and building a personal army to protect the Escobar family against an array of enemies sworn to kill them.

The Cartel: The Inside Story of Britain's Biggest Drugs ...

"The Cartel" falls between the good, the bad and the ugly. Using the street lit handbook and a predictable plot line, this novel will have you glued to your seat. Someone younger or newer to the genre would welcome the mixture of drama and violence and enjoy this novel. For me, those are the exact problems I found with this novel.
