the Legal Systems of Europe and Latin America

Civil law (legal system) - Wikipedia

1 The civil law is a much older legal tradition than the common law. It has its origins in Roman law and dates back about 2,500 years, whereas the common law can be traced back less than 1,000 years. Civil law spread through Europe via the universities, and was therefore originally an academic system of law.

other hand, place much less emphasis on precedent than they do on the codification of the law. Civil law systems rely on written statutes and other legal codes that are constantly updated and which establish legal procedures, punishments, and what can and cannot be brought before a court. In a civil law system, a judge ...

The Civil Law Tradition: An Introduction to the Legal ... Introduction to Civil Law Civil law involves cases where there are private disputes between individuals or parties that cannot be resolved outside the court system. They do not involve or affect other members of society as in criminal law. Torts, contracts and the law of negligence are integral parts of civil law. These are defined below:
