The Concise 33 Strategies of War: Robert Greene ...

The 33 Strategies of War picks up where the 48 Laws of Power left off. Greene continues his exploration of historical figures, turning his attention to the more focused ways to fight a conflict, whether that be an actual war or a business meeting.

The 33 Strategies of War: Summary + PDF | The Power Moves

But the 33 Strategies is more about a macro perspective, which in my opinion makes it even more important. And my general advice is to read "OK books" on summaries and great books original (exceptions apply, like for great books that fall outside your life interests and goals). The concise version, I suppose, will skip all the examples.
