The epigraph to Patrick Ness's novel comes from The Decemberists' 2006 album also entitled The Crane Wife. Clearly artists of all sorts have been inspired by the Japanese folktale on which Ness's novel is very broadly based. The legend, known as Tsuru no ongaeshi, tells of a young man who rescues a crane that has been injured by a hunter's arrow. Later that day, the young man is surprised by a beautiful young woman on his doorstep, who introduces herself as his wife.
